

KS SUPPLY CO.

SERVING MIDDLE TN. & SOUTHERN KY. SINCE 1982

DESCRIPTION:

HOUSE WASH 25 is a highly concentrated liquid cleaning detergent especially formulated with the highest quality penetrants and surfactants to promote the rapid emulsification of dirt, grease, oil. **HOUSE WASH 25** is safe to use on all surfaces, when used as directed, and is especially well suited for cleaning many surfaces, including house siding, decks, concrete and asphalt drive ways, concrete, brick and stone walk ways and many other surfaces not harmed by water.

USE DIRECTIONS:

HOUSE WASH 25 is a highly concentrated detergent and must be diluted with water prior to use. The optimum cleaning dilution for most surfaces is between 1:30 and 1:50. When using through high pressure, hot water cleaning equipment, set metering valve at desired dilution rate, soak down entire surface to be cleaned, return to starting point and detail clean from the bottom to the top. When cleaning is complete rinse from the top down.
