

Power House

A ONE-STEP COMMERCIAL TRUCK WASH

- **Non-Phosphate**
- **For Commercial Washing**
- **Highly Dilutable**
- **Removes Road Film**
- **Free Rinsing Hot or Cold**
- **Use As A One Step**
- **Use In Two Step Systems**
- **High pH**
- **No Brushing**
- **Excellent Degreaser**

Power House is a highly concentrated liquid, cleaning detergent especially formulated with the highest quality penetrants and surfactants to promote the rapid emulsification of dirt, grease, oil and road film. **Power House** is safe to use on all surfaces, when used as directed, and is especially well suited for cleaning trucks, tractors, pre-painted trailers, buses, etc. and even removes extremely difficult magnetic road film without brushing. Especially well suited for use in automatic drive-through truck wash systems.

Power House will clean over the road vehicles completely and thoroughly for many years without damage to paint or any other vehicle material. **Power House** has built in buffers to keep the product from damaging paint pigment. It will remove not only the normal soils but will also remove any oxidation that builds up on paint. Oxidation occurs normally over time and **Power House** will remove it so your paint has the waxed appearance.

Power House will maintain your fleet's appearance to the maximum for years and is not detrimental to the materials that make up the fleet equipment. Clean trucks are treated better by drivers and are stopped less by D.O.T. Let us help you maintain your fleets rolling billboard message!
